Travel expenses are to be paid by the client. Please note coach accommodations are acceptable according to Domenic's upgrade capability. Clients should consult Domenic's calendar for the origination city.

Facility Requirements for Domenic's Keynote Seminars:

Domenic may use extensive multimedia in his keynote programs. (Please advise if he needs to bring her own digital projector and audio system)

-

A cordless lapel microphone is needed for groups of 35 or more. (Domenic has a portable system if one is not available)

-

A screen and power strip with extension.

-

6 foot table at the front of the room is requested.

-

Domenic will provide master handouts for duplication.

-

Flip charts may be requested for specific workshops.

-

A room diagram is requested. Domenic prefers to set up the room and test audio/video the night before if at all possible. A minimum of 1.5 hours prior to attendee arrivals is requested.

At the conclusion of what will be a guaranteed quality program, Domenic requests letters of reference from the booking

organization.

Videotaping is permitted via advance permission for internal use only, provided a copy of the program is given to Domenic for his client portfolio.

Domenic provides a free eZine upon request to his clients with valuable information on industry news and top trends.
